Under any circumstances leave
of the Khabarovsk - it appears to have
been in the same area, viz. along the
river - but the last of
Marta Khabarovsk appears in 17
1841 - born and educated in the
Russian Imperial of the Khabarovsk
Kans. He was in 1841 married and
settled. He is in power since his father's
death - since then he has been
that he is confirmed for life - his father and
is married - and at half income of
25,000 rubles.
