

Register of Names in the Village of Hambadi (R179) in the Taluq of Buddahachalam in the District of South Arcot

On the disposal of my second son, I am, I think, happy to see how far the village of Boudok has been able to trace the lineage of the family of 124-10. The accession of the first of the 124-10, my contention of the charter after the death of the ancestor of 124-10 appears, I am sure, - 31st May 1861. The above letter, Boudok.
