Pazhwangudi (P. 206)

The fact that to some extent  
cattle-baiting grounds are open to the public  
by the danger of the disease, may help to  
to some extent to get over the barrier  
- barriers - barriers of the disease and the disease  
without any more very great barriers  
- barriers - barriers of the disease and the disease  
- barriers - barriers of the disease and the disease  
- barriers - barriers of the disease and the disease

the matter by the Republic as long years ago & I think on the whole be-  
lieve the prevailing opinion is not faithful - but after looking at the long process  
of the commission & before after all came according to the information too, as the only
