The extent in the enjoyment of these 2 individuals was purchased by their father from Mangathaiar & uncle of No 14. Deed of sale having been lost the documents executed by the sellers in which the sale is acknowledged and decree of Court confirming the sale are produced. Rajappaiyar, Samiaiyar & Ayyaiyar were three brothers. No 14 is son of the first, No 11 is daughter of the second, & No 10 is widow of the third. The extent in the enjoyment of these three or A 1-34-13 is included in the extent under No 4 in col. 15 as it was at the time of the survey in the possession of Krishnaiyar on mortgage. The fact of the mortgage is not mentioned in the Primary Regr. but the deed of mortgage or rather of conditional sale is produced by Krishnaiyar. Of the extent above named No 11 is owner of ½ & Nos 10 & 14 of the rest in equal shares. For the ½ belonging to No 11 agreements executed by No 14 & No 10 have been produced. The whole extent or A 1-36-18 -22 is in the enjoyment of Nos 8 & 9 according to the terms of the mortgage bond, the period fixed therein for redemption having expired with the Year Virodhi. No 12 & 13 are sons of Sabhaiyar named in col. 15 under Nos 3 & 4. They enjoy A 3-8-7½ out of the 10 & odd acres under No 4, the extent under No 3, which entd as Ramasamudaiyan *

* him for the above named Vaidanathaiyar. The small extent in Vaidanathaiyar's name is said to have been purchased along with the rest by Kuppuraiyar and to be in his enjoyment, but how it came to be entered in the survey in the name of the former is not known. Deed of sale is said to be missing & the entry in the Primary is referred to to support No 2's title. What No 3 enjoys was purchased by his father from No 2 in col. 15. Deed of sale having been filed in Court, a decree passed with reference to Rajaiyar & filed in the Court in the matter of a claim to the land preferred by one Subbaiyar as prior purchaser is produced. The dry lands entd in the Primary & portions of the Poramboke subsequently brought under culture being common land is shared in by all the holders in the proportion of the extents of their Nanja holdings. Nos 4-5-6 are brothers' sons and ⊙

Vide general remarks in Col. 20, case No 1 of the village of Kuttanur on the other side of the sheet. No 1 is the same as the party of this name and brother of Gopala Aiyar under No 7 in col. 15 & enjoys the extent herein entd with his part of the dry specified last in that col: and of the extent brought under culture out of the extent under Poramboke. The entire extent of land in his name is in the enjoyment of No 2 who is stated in the Primary to be in possession as mortgagee. Vide remarks regarding No 14 (who is same as No 1) in the first case in the Regr of the village of Kuttanur. No 2 is the same as No 5 in col. 15. The extent now in his enjoyment is made up of the eight and odd acres in his name, the seven and odd guntas in the name of Vaidanatha Aiyar No 6 & his share of the extent of dry & recent cultivation. The extent in col. 15 in Kuppuraiyar's name is stated in the Primary to have been purchased by [illegible]

This is a Pohal Shrotriem. The grant is not forthcoming nor is the village entd in the Regr of 1809 received from the Collector's office.

The Inam has been assessed the Wet with reference to the grain value of the only Tarapfin Kattalai in the village. The extent or total of the grant is not known. The measurement acct of F.1226 does not specify for this Inam, as it did for that in Kuttanur (Vide other side of the sheet) the extent as per Cawle. The previous years' extent as per acct of the Curnum is given in it as V 5-10-75. In the form abstract written of F.1216 V 5-19-72½ Wet & V -14-68 Dry are entd. The length of the rod is not specified. The entry in F.1226 is taken as the extent granted in F.1226 is for the Curnum's accounts. In the Ayan lands of the village there is no income following therefore for the Inams 10 P.C. The excess in the present entd over the former or that in F.1216 is A 1-6-7 excluding the Poramboke, no portion of which is available for culture.

Of the extent entd in F.1238 under the head Poramboke A 1-3-¾ having been brought into culture, it has been entd now under the head dry, as a water crop is cultivated therein.

To be confirmed in Q.T.K. The QR payable by each holder with the [illegible] his quota of the Inam & other particulars are specified in the marginal statement. [illegible] 22-2-64 [illegible]
