Krishnaji Pandit the only son of Ramanadha Pandaram, the party No 10 in the 4th Column left this part of the country for Benares in 1847. Nothing is heard of him whereabouts, in 1857, by his father Ramanada Pandaram, who in September 1857, executed a Will on stamp paper authorizing his wife Rukmaibhaji to take possession of and secure the property inclusive of this Inam as well as the Inam in Kumagudi, after his demise, & to perform his funeral rites at a cost of 150 Rupees; enjoining her at the same time to make over the property to his son in the event of his return within 10 years; on failure of which the proceeds of the property should be employed by the said Rukmaibhaji from the 11th year in giving alms to 12 Brahmins at his house on every Dwadasi (Dwadasi Kattalai) with the approval of the Dharmakartas Panchanadhaya & Tyagaraja Pillai nominated by him to maintain the charity. It is further laid down in the Will that on the event of Rukmaibhaji failing to maintain the Dwadasi Kattalai, the Dharmakartas named above, should undertake the maintenance of the charity & that Rukmaibhaji should not interfere with the arrangements of the Dharmakartas, but that 100 Rupees should be allowed her as gift. It is also laid down in the Will that the property should be made over to his son, whenever he returns to this part of the country. Copy of the Will is herewith submitted.

The said Ramanadha Pandit died in 1858.

In October 1858, Rukmaibhaji executed an Edambadikai in the Hindu Kadjan, making over the property &c as described in the Will to the said Dharmakartas receiving from them a hundred Rupees according to the terms of the Will.

In virtue of the Edambadikai executed by Rukmaibhaji & the trust reposed in them by the deceased's Will, the Dharmakartas proceeded in 1862 to recover the debts due to the deceased Ramanada Pandaram. In consideration of the Edambadikai & the Will in question, the additional District Moonsiff Court of Tumbaconum, acknowledge the right of the Dharmakartas in the matter, & held a decree in their favour. In appeal, the decree of the District Moonsiff was confirmed. The whole property is now held in trust by the said Dharmakartas. One year is wanting to complete 10 years from the date of the Will. The Dharmakartas who have secured the property unattended, are prepared to make it over to Krishna Pandaram in the event of his return within a year, or to maintain the Dwadasi Kattalai charity from the 11th year, (October 1869) from the proceeds of the Inam. Copies of the Edambadikai & the decree of the Court are herewith submitted.

Inquiry of the Revenue Mamandum Village of Illadhanapuram Taluq in Tanjore District — J. D.

A mortgaged this share with some other land for Rs 50 to F on the 15th of Pazhathasi Vanmajithe — on A's death B, C & E received further from F an additional loan of Rs 25 on 14th Aippasi Vide Deed 29th October 1827 — E on a subsequent date 28th October 1829

accounted to F an agreement settling the account to with him — this he appears to have done not on his own account but also on account of other heirs of A — C appears to have decided with E receiving 1/3rd for her share before 15th Aippasi Vide Deed 29th October 1838.

on which date E executed to G (owing to F's death) a mortgage deed on his 2/3rds share — H succeeded G and mortgaged the 2/3rds on 19th Chithirai Vide Deed 14th April to one Venkappien the appellee 2nd Summary 63 of 1865 — E's whereabouts are not known he is absent for the Village from the last 25 years — D appears to have redeemed the mortgage of her share from G 18 years ago — she then re-mortgaged her share a party from whom she redeemed a year before attachment — Vide Sale's Abstract 26th March 1866 & 8th.

I think there can be no question as to the propriety of restoring the 2/3rds of the share claimed by Petr within one year from the date of attachment to Petr without prejudice to the right of the original family — But the point for Commissioner's decision is whether D's 1/3rd share should be returned for default or restored — Considering the trifling extent of the 1/3rd share which is between 3 & 4 Cents, I would recommend that the whole of this share be released & restored with such Proceeds from the date of Petr's claim — 23rd March 1865 If this is approved, the necessary alteration will be made in the Petn & a Kyfiyat drawn & Collector asked to amend the Vernacular Register accordingly & to return the share in question — & Petn advised accordingly.

Of course the 1/3rd share held by F.K. 16/7/67 by D must be fully appealed for default — The Commissioner's recommendation as regards the remaining 2/3rds is approved.
