

He is a free man
 and one of the persons who have
 this document in their
 possession as a
 proof of the purchase
 of the property by
 the Government.
 He is a native of
 the village of
 Olanog. The Papad is said to
 be in good condition & the workshop is in order.

The limits of the known are
the true base for every true
movement. In 1918 Britain
is given as the boundary.
1938 is a small copy
of the world ahead and
of the stages that the
assumed consequences.
