Dr Callender

to which objection was taken by two of the Imam Deputy Collrs on the ground that 32 persons held adverse possession of the premises of the Imam.

The case was no doubt never settled & is now in arrears, the present warahipper has not produced decisions of the H.C. Court confirming the judgments of the Court of South Canara, declaring the whole Imam to belong to the Mutt service & the alienations of its portions by one of the late warahippers is null & void. He says that a Title deed may be issued in the name of the warahippers the term being of the Archaka Mutt a request which the Imam Deptt is, I think, bound to comply with.

25/7/81.

A. Title deeds will be issued accordingly in the name of the Warahippers for the term being of the Archaka Mutt.

Inam

The Sircar interest in
the entire village of Nara-
= simapuram was granted as an
Inam min.d 1809 for the ser-
formance of service
in the Ahobala Mutt —
As such it was not alien
= able by the warahsper.
The warahsper for the
time being in 1850 gave
away portions of the Inam
to several parties who enjoy
them from that year —
at the time of the settlement
of Inams in Fasly, the
then warahsper claimed
the whole village to be
declared as the property of
