In & Rep^y of 1866, it is stated^{that}
the proportion engine & value of ~~the~~ Vessels
including license & Panam took:
As per list of First,
 $\begin{array}{r} M. \quad 5 \text{ V.} \quad 14 \text{ h.} \quad 23 \frac{3}{10}. \\ D. \quad 17 \text{ V.} \quad 12 \text{ h.} \quad 22 \frac{1}{2} \text{ sh.} \\ \hline 23 \text{ V.} \quad 6 \text{ h.} \quad 45 \frac{13}{10}. \end{array}$
Panam took was not measured.

The whole of the first day is situated
within the established boundaries of the
Village. This is a poor Kadayanham
Village. The whole is mainly rice-dependent
soil on the ravine, as well as by land.
