C. [illegible]

Rádhánarasimhapuram.

This is a Sarvamániyam or a whole tax free Village, held on Sikka Sannad directing the Village of Sambayanattam Corilnattam [illegible] to be held by the Bramins of the Agraram of Rádanarasimmapuram, 14 in number, in 16 Vritties, as hereditary, till the duration of the Sun & Moon.

The Boundaries of the Village are described in the Sannad, as follows

South of the Brandiyan Vakkál;
North of the limits of the Mangottai Nattam, & a Tank & a road
West of Tenbarai Palavadi &
East of Valur Setu Mángam;

The Extent of land situated within the said boundaries [illegible]. No extent ~~of land~~ is specified in the Sannad. The whole of the Ayakut 924.90 acs. within the said boundaries. The Village is divided into 16 Vritties, now held by 48 individuals, with the exception of 9 Khandam lands holders. The average rates of the adjoining Govt. Villages, Coril Nattam, Mangottai Nattam, Valur, & Terumakottai,

being Dry 0-12-7,
Wet 2-0-7,
Gar 2-2-4,
are adopted.

The average known grain value of a Vritti is 50 Calams. Irrigation to the Wet lands is supplied by Terumaniyar, a branch of the Pámani, but the Survey about 28 Velis or 185 acres were classed as Mánávári Wet. But for the last 20 years, about 10 Velis or 65 acres of this Mánávári have been irrigated & cultivated with Pátchal or wet Paddy. The means of irrigation may be further extended & improved by restoring the old channel. The Inamdars are therefore urgent, that the whole of the wet Ayakut may be classed as Pátchal Wet. This prayer may be conceded to with advantage to Govt. For instance the rates of an acre of Dry or Wet Mánávári are Rs 0-12-7. It is customary in this District to charge half the Pátchal ~~rate~~ cess, for the ~~Mána~~ Irrigated portion of the Mánávári, that is, 1 Rs, the rates of wet land being Rs 2-0-7. This half cess with the Mánávári rates Rs 0-12-7 becomes 1-12-7 which is less than the rates now charged being 2-0-7 an acre. There appears to be no vast difference between the Pátchal Wet & Mánávári Wet of this Village, the productive powers of both being nearly the same. In fact the distinction & reclassification are nominal. The state of the cultivation [illegible] is as follows

	Wet	Dry	Gar
Fasli 1268.	198.30	132.20	20.44
Fasly (1270.)	171.86	152.88	19.83

Detail of 1271 is shown in Column [illegible]

No dependence could be placed on the accuracy of the Magarbadi accounts of the whole Villages in general.

The rates for the Wet lands appear to be very moderate.

The extent of waste lands with the exception of a small tract of land is [illegible] fit for cultivation.

Under these circumstances no special remission of the assess. of the waste lands appears [illegible] needed.

The Valuation of the Village may be fairly taken at 1200 Rs exclusive of the [illegible]

Jas C[illegible]/6

The whole Village is recommended to be enfranchised partly with [illegible] less quit & partly under VIII at 1/8 in one Joint Title Deed.

Quit Rent 1/8 = 150 Rs

Each Vritti is nearly equal to 7½ Velis or 50 acres, & Quit Rent for each Vritti is Rs 9-6-0, or 3 annas per acre.

Land is divided.

24 July 62.
