Register No 279 . Mayavaram Taluq, Tanjore District.

Case Nos 2 to 38

This was a Sarva Inam Village granted not on one occasion but at different times on 37 Sicka Sanads all from the Sixty Nos. The extent as per Sicka Sanades 659-1-18
The extent as per Survey of Fasly 1218 is 66-8-2 including 6g 7- of Pommboke
of which 5-16-23 consists of Bunds &c. irrigation channels &c. the remaining Pommboke
consisting of the Sites of houses, backyards &c. The Deputy Collector argues that the extent
entered in the Sanads could not have included the above mentioned Pommboke of
5-16-23, as the whole Village was not given on one occasion, and as it is not
the practice of the District to include Pommboke in the extent given in the Sanads.
I quite agree with the Deputy Collector, and consequently there is no excess to be charged,
I bring below ten per cent the remaining points to be considered are, 1st Whether the
Agraharadars have right to the Pommboke lands not included in the Sanads; 2nd Whether
the whole Village should be confirmed in one deed, or in as many deeds as there are
Sanads.

The Deputy Collector did not give an opinion on the 1st point, probably because he
entertains no doubt about it. The Tank, and other Sources of irrigation, clearly exist from before
the assumption of the Country by the British, because the Register of 1807 shows that part of
the Village was then cultivated, with wet crops, and consequently the right of the Inamdars
to the Pommboke cannot be disputed, nor is it now disputed. As regards the 2nd point,
the Deputy Collector proposed to grant separate title deeds, and charge different rates
of quit Rent with reference to the circumstances of each case. First he has not
given the Survey numbers for each case, and from Column 15, I observe that it would
quite possible to do so.

The Inamdars have all a joint right to the Pommboke, and as almost all
whole Village Inams have been recommended that this Village also be confirmed
in one deed. I must however mention that the whole village hitherto continues on
115 are those granted under one Sanad, but practically there is no difference between those Agraharam
and this. The Sacrifice of Quit Rent to Government by adopting this course instead of granting sepa-
rate title deeds is Rupees 76 as shown in the margin.
Similar Sacrifices we have generally allowed in almost
every Agraharam, to protect the joint rights of the
Village, and how better in Society as Agraharams.
The extent held by each individual is now entered
does not appear to be entered in the Public Accounts

Quit Rent as proposed by the Deputy Collector	286
Quit Rent Charged at 1/6 of the whole	210
Difference	76.

Register No. 279
Sheet No. 70

Though held under numerous Sanads granted for the
several portions at different intervals, this village has
been held as a Sarva Inam Agraharam for more
than a century. It will now therefore be confirmed
as such in one title deed under Sanad under the lowest
rate of quit rent, in accordance with the usual
practice in the case of whole village Inams, held
by numerous shares all of whom have a common
right to the Pommboke within the boundaries of the
Village.

Approved and confirmed accordingly as
recommended by the Acting Special Assistant.
