From an extract of 7229 received from the Collector's office it appears that the village originally belonged to one Tandavalinga Pillai. That as at one time he was unable to pay the Circar demand he made over the village to the Mirasidars. Chitambaranatha Mudali & Tanikachi Mudali or Ramaiyan – No. 1 & 2 are the grandson & brother's son respectively of the last named individual or Ramaiyan – whose brother No. 1 in col: 15 was. No. 3 purchased in the year Plavanga in the name of his son V 1-5-5 from Ganapati Aiyan son of No. 1 in col: 15 & in 1849 V 10 – in his own name from No. 4 Appa Mudali. Out of the 10 Veli, only 8 are in his possession, the Civil court having put up [illegible] at a public auction the remainder, it having been [illegible] to the sale to No. 3 attached for a debt. What No. 4 enjoys were all purchased by his [illegible]

Being entered in the accounts of 1802 as a Rokkaguttagai village, tho' no particulars of extent etc are given therein, the Inam is more than 50 years old and is therefore recommended to be confirmed & continued as valid. The assessment in col: 7 has been calculated at the average of the assessments of surrounding villages. The amount of Jodi paid is high. The QR payable by each holder is specified in the tabular statement in the margin.

The Poramboke of 7288 has shown an excess of abt 13 Veli over the extent in 7225. Being an entire village surrounded on all sides by other villages no encroachment is at all likely to have been permitted & that at such a remote period of the British administration. There is no due evidently of imperfections in the measurement of 7225
