

The Spaniards have all a good right to the Porumboko, and as almost all
whole Village Spaniards have been, I recommend that this Village also be confirmed
in our ^{in the latest rate of 2nd Dist.} ~~land~~. I cannot however mention that the whole village without continues on
1/8th are those granted under our sword, but practically there is no difference between those Agorahans
and this. The people of 2nd Dist to Government by adopting this course instead of granting depu-
rate title deeds a Paper of 6 as shown in the margin.

Similar Services we have generally allowed as follows

2nd Dist as proposed by the Deputy Collector	286
every Agorahans of District the joint rights of the	210
tribes and their ^{other} shares in Society as Agorahans.	Difference of 6.

The exact list of each individual Spaniard enjoys
does not appear to be entered in. The Public Accounts

13th August 1863.
