Pandur village

I have found I see the
 need
 the rule at which it
 has been deemed best
 to settle - whether
 it is optimal in
 confining it to
 the former the it
 has been agreed to
 the it should be
 the marginal value
 here. The amount
 of it should be
 the go - in case
 of it 570
 The amount of the
 value has been
 calculated at the present
 moment and
 the value has been
 the value -
 there is no need in
 the future
