From an entry of 7229 received from the Collr's Office it appears that the village originally belonged to one Tandavaraya Pillai, that as at one time he was unable to pay the Circar demand he made over the village to the Mirasidars, Chitambaranada Mudali & Ramachandra Mudali & Ramaiyan. No. 1 & 2 are the grandson and brothers [illegible] the last named individual or Ramaiyan whose brother No. 1 in col. 15 was. No. 3 purchased in the year Plavanga in the name of his son V 1-5-5 from Ganapathi Aiyer son of No. 2 in col. 15 & in 1849 V ..-10-.. in his own name from No. 4 Appa Mudali. Out of the 10 Velis only 8 are in his possession, the Civil Court having put up to sale in a public auction the remainder, [illegible] previous to the sale No. 3 attached from [illegible]. What No. 4 enjoys were all purchased by his fund.

Being entered in the accounts of 1802 as a Rokkaguttagai village, tho' no particulars as to extent are given therein, the Inam is more than 50 years old and is therefore recommended to be confirmed & continued as valid. The assessment in col. 7 has been calculated at the average of the assessments of surrounding villages. The amount of Jodi paid is kept. The D.R. payable by each holder is specified in the tabular statement in the margin.
The Poramboke of 7285 has shown an increase of abt. 13 V [illegible] over the extent in 7225. Being an entire village surrounded on all sides by other villages no encroachment is at all likely to have been permitted & that at such a remote period of the British administration. There is no doubt evidently of imperfections in the measurement of 7225
