No. 1 purchased in 1842 ½ sh. from Venkataramadas son of Kristnadas in Col. 15 in 1845, one share from Ananta Kristna [illegible] had purchased in [illegible] the remaining half share of Kristnadas from his brother Angadai, in Col. 16 his a half share from Subbiar who had bought in the same year the 1 share entd. in Col. 15 in the name of Annavi. Deed of Sale produced. The half share in the enjoyment of No. 2 was purchased by him in 1846 from No. 1 who had purchased it in the previous year from Ramachandra Iyer son of Subbaiyar already referred to. Deed of Sale produced.

This is what is called a Chaturbhagam village of the entire [illegible] ¼ is Inam & the rest is Taraf. The village was formerly one of the 96 [illegible] of the Maharaja. In F.1236 it was, with 17 others, made over to the British Government in exchange for some villages from them. Before F.1236 the village was under the management of the Rajah. No accounts are available for F.1216 or 1226, nor is it entd. in the Inam Register. The account of F.1213 from the Collector's Office, the only old account received, is one of Tiruva Maiyatam Nurf in Fs. 1209. In it ¼ of the entire village is entered as Brahmin Sarvamaniam. The Taraf portion of the village is also held by the parties in Col. 16 or the holders of the Inam. It having been proposed when fixing the average of the collections during the past five Faslis as a permanent Jodi, to make the whole village a Shrotriem, they have now requested [illegible] permanent [illegible]. The average of the Jodi are the [illegible] collections on acct. of the 2nd crop on lands classified as "double crop" as is related as those lands are not regularly cultivated with the 2nd crop. They are not of course to pay for the 2nd crop in those years in which it may be raised. The half assessment usually collected. From enquiring it appears that the 2 crop lands have been generally cultivated with one crop only — or that in fact they are not fit for two crop cultivation. Whether cultd. or not with the 2nd crop the half assmt. appears to have been collected, the parties failing to claim remission. According to the present system the 2nd crop assmt. even on 2 crop lands is collected only in those years in which a 2nd crop is raised, but formerly it was a [illegible] remitted. I think the request preferred is not unreasonable & Government lose nothing by complying with it, for whenever the 2nd crop may be raised the half [illegible] will be [illegible]

The extents of the Wet, Garden, Dry & Poramboke as entd. in the Pairmash differ from those above specified. Portions of Dry & Poramboke lands having been cultd. subsequently to the Pairmash as Wet & Garden they have been charged accordingly at the rates for the respective classes, & in fact come to be treated as part of the Rayat [illegible] & [illegible] [illegible]

of it — the amount thus collected annually being Rs 16-9-10. This sum is what is now added as the Jodi — Rs 94-0-6 being the assmt. on ¾ of the village ⅓ of it being [illegible] added list to represent the [illegible] the entire village. Of the Poramboke no portion is fit for or is likely to come under cultivation — & so no additional charge on that account is necessary. Recommended the confirmation of the [illegible] imposed at ⅛ i.e. Rs 3-12- or in all Rs 98 — in exclusion of Kavel fees.

9/9/62 [illegible]
Dy. Collr.

F.1268 the [illegible] portions of 6-11-5½ or R 1-3-9 were charged water [illegible] [illegible] [illegible]

collected. Water cess is collected from the Sarvamaniam share in Dry & Poramboke lands cultivated as Wet. The amount so collected is also excluded from the average as it does not relate to the Taraf lands. As the whole village now becomes a Shrotriem, the water tax hitherto collected as also that on any lands which may hereafter become liable thereto, will be demanded & paid, irrespectively of the Jodi & Quit rent as is done in the case of Sarvamaniam & Jodi Inams, as with 2nd crop assessment in those years in which the 2nd crop may be cultivated. The collections during the past five years for the Taraf portion or ¾ of the village are as follows

F.1266 — Rs 112-2-
1267 — Rs 112-2-
1268 — Rs 111-6-8
1269 — Rs 110-0-3
1270 — Rs 107-8-8
553-3-7 average Rs 110-10-4 exclusive of ½ assmt. from 2nd crop or Rs 94-0-6 exclusive [illegible]
