From an extract of 7239 received from the Collector's office it appears that the village originally belonged to Tandavaraya Pillai. That at one time he was unable to pay the Circar demand he made over the village to the Mirasidars. Chitambaranatha Mudali & Sambu Mudali & Ramaiyan — No. 1 & 2 are the grand son & brother

son respectively of the last named individual or Ramaiyan whose brother No. 1 in col. 15 was No. 3 purchased in the year Plavanga in the name of his son V 5-5 from Ganapati Aiyan son of No. 1 in col. 15 & in 1849 V ..-10 in his own name from No. 4 Appa Mudali. Out of the 10 Veli, only 8 are in his possession the Civil court having put up to sale at a public auction the remainder, it having [illegible] remained to the sale No. 3 attached for a debt. What No. 4 enjoys were all purchased by his father

Being entered in the account of 7288 as a Rokkaguttagai village, tho' no particulars as to extent etc. are given therein, the Inam is more than 50 years old and is therefore recommended to be confirmed and to be continued as valid. The assessment in col. 7 has been calculated at the average of the assessments of surrounding villages. The amount of Jodi paid is high. The QR payable by each holder is specified in the tabular statement in the margin.

The Pairmaish of 7288 has shown an excess of abt. 13 Velis over the extent in 7226. Being an entire village surrounded on all sides by other villages no encroachment is at all likely. It must have proceeded [illegible] that at each advanced [illegible] period of the British administration. The excess is due evidently to imperfections in the measurement of 7225.
