No. 1 purchased in 1842 ½ sh from Venkataramadas, son of Kristnadas in Col. 15 & in 1845 one share from Anantakristnasa that had purchased in [illegible] the remaining half share of Kristnadas from his brother Ayyadas, & in [illegible] a half share from Subbaiyan who had bought in the same year the 1 share entd. in Col. 15 in the name of Annasami. Deeds of sale produced. The half share in the enjoyment of No. 2 was purchased by him in 1846 from No. 1 who had purchased it in the previous year from [illegible] son of Subbaiyan already referred to. Deeds of sale produced.

This is what is called a Chaturbhagam village. Of the entire [illegible] ¼ is Inam & the rest is Tiruppu. The village was formerly one of the 96 [illegible] of the Maharaja. In F 1236 it was, with 17 others, made over to the British Government in exchange for some villages from them. Before F 1236 the village was under the management of the Raja. No accts. are available for F 1216 to 1236, nor is it entd. in the Inam [illegible] of F 1216 from the Collector's office. The only old acct. received is one of Tirua Maigalam Alaf in F 1209. In it ¼ of the entire village is entered as Brahman Sarvamaniam. The Tiruppu portion of the village is also held by the parties in Col. 16 or the holders of the Inam. It having been proposed to them to fix the average of the collections during the past five Faslis as a permanent Jodi & make the whole village a Shrotriem, they have [illegible] agreeing to the arrangement provided [illegible] the average [illegible] the [illegible] collections on acct. of the 2nd crop on lands classified as "double crop" [illegible] included as those lands are not regularly cultivated with the 2nd crop. They [illegible] 2nd crop in those years in which it may be raised. The half assessment usually collected. From enquiring it appears that the 2 crop lands have been generally cultivated with one crop only — or that in fact they are not fit for two crop cultivation. Whether cultd. or not with the 2nd crop, the half asst. appears to have been collected, the parties failing to claim remission. According to the present system the 2nd crop assmt. even on 2 crop lands is collected only in those years in which a 2nd crop is raised, but formerly it was [illegible] remitted. I think the request preferred is not unreasonable — & Government lose nothing by complying with it, [illegible] whenever the 2nd crop may be raised the half [illegible] will be [illegible]

The extents of the Wet, Garden, Dry & Poramboke lands entd. in the [illegible] differ from those above specified. Portions of Dry & Poramboke lands having been cultd. subsequently to the [illegible] as Wet & Garden, they have been charged accd. at the rates for the respective classes & in fact [illegible] treated as part of the [illegible] & [illegible] settlement [illegible]

of it — the amount thereof collected annually being Rs 16-9-10). This sum is what is now settled as the Jodi — Rs 94-0-6 being the assmt. on 3/4 of the village [illegible] ⅓ of it [illegible] added [illegible] the entire village. Of the Poramboke no portion is fit for, or is likely to come under cultivation, & so no additional charge on that account is necessary. I recommend the confirmation [illegible] imposed at ⅛ i.e. Rs 3-12 or in all Rs 98 in exclusion of Kaval fees.

9/9/62 [illegible] Dy. Collr.

F 1268 the [illegible] portions of 1-11-5½ & 1-3-9 were charged water [illegible]

collected. Water cess is collected from the Sarvamaniam share on Dry & Poramboke lands cultivated as Wet. The amount so collected is also [illegible] from the average [illegible] the Tiruppu lands. As the whole village now becomes a Shrotriem, the water tax hitherto collected as also that on any lands which may hereafter become liable thereto, will be demanded & paid, irrespectively of the Jodi & quit-rent as is done in the case of Sarvamaniam & Jodi Inams, [illegible] with 2nd crop assessment in those years in which the 2nd crop may be cultivated. The collections during the past five years for the Tiruppu portion or 3/4 of the village are as follows
