Wife 1 Subbaramaniya Pillai — This cannot in any way be looked upon as a personal grant such as could be

Sons 1 Gurunatha Pillai

Daughters 2 Gurunathal states that his ancestors bought this land from the person entered in Col 15 and that it has been for a long time in the enjoyment of his family. He has no documents in support of his allegations and the person entered in Col 15 has left no heirs

sold. It is either a grant for a public institution or else for the use of the general public. It seems that the best plan will be to apprise it to the present proprietor free of rent if he likes to keep it up as a public tope for the use of the community, and if he refuses, to apprise it at the full rate, seized there is no pagoda existing to which it can be attached
