No 1. Dry 5-71 Garden 3-5 } 32-6-4 | Aftl 4-12- for ¼ | 2 Rent.

No 2. Dry 0-68 1-12-3 | 1-8- being the full charge on excess

The present extent of this Inam is greatly in excess of the former. The difference appears to be due to a number of manaikkattus (houses and backyards) not entered in Fasli 1216 being now enjoyed as Inam. In the record of the Fasli just named 6 Topes are entered. The position of one (Vz-1-47½ in extent) out of the six cannot be identified, and it is not possible therefore to say whether it is now Tarappu or Inam Nos 1165, 1167. 962, 945, 947, 949. 908, 899, 977 & 981 fall within the boundaries specified for the remaining Topes. When the other Nos which were measured in Fasli 1238 in the name of the Pagoda as Sarva manigam and are to this day enjoyed as such became Inam or if they have been so all along, why they were not entered in Fasli 1216 is not known. While every one of the Nos in fol 3 is entered in the Paimash Chitta as Sarva manigam in the Posthpura, several Nos and portions of others out of them are excluded, and the extent entered in it is only A 8-33-14½. It is not possible to ascertain the ground for the distinction. The entry in the Posthpura appearing therefore to be incorrect I have brought on the Register all the Nos measured and enjoyed as already observed as Inam.

In the Paimash account of Fasli 1238 two Nos namely 1165 and 1167 are entered in the name of Viswanadha Swami in whose enjoyment they still are. The former extent of these two Nos is Vz-1-47½

To be confirmed in 2 Sikli Deeds No 1 to pay —

Rs 4-13- being ¼th Quit Rent in all the Nos save Nos 962, 945, 947, 949, 908, 899 & 977 to 981 which are entered in Fasli 1216 and on which there is no excess, and Nos 1165 & 1167 which are in the enjoyment of No 2 who is to pay for them Rs. 1-8- being full assessment on the excess on the 2 Nos over the extent in Fasli 1216 and the average rate in Nanjan lands plus 10 per cent & ¼ Quit Rent for the remainder.
