It is stated in the statement that the Teikal in the village of Vowalodachery is a shed and the charity is continued	Monium Kavel Rs 3.3..	For the annual religious expense.	Granted by Vidapaling Maha Raja on the 24th Jallahein of Sallaga Syan Inyaluf	A Sunnud of the date 24th Jallahein of Sallaga Syan Inyaluf given by the Maha Raja Periathapaling produced, which states that two valies of land in the Village of Rathanaloor were granted to Koothippotheyen Teikal as Survamonium on the request of Mohomed Sheriff Junsaver to be enjoyed every year.	Mohomed Sheriff Junsaver	It is stated in 1st in the Register of 1809 that Shek Mahomed Jani and Shekkader are in the enjoyment of 2 valis & that they are lours to the individual mentioned in Col 13 Note — As it is stated in the 1st head of the Register 2 valies it appears that the No 2 entered in the Col headed Nunjah is wrong and it to be entered in the Col headed valy	In the Pymash account of Fasli 1238 it is entered Koothipotheyan Teikal Mirasi Balupin Lebbai Monium Inias Bapin Lebbai as to 5-15½ Mortgage Shammuga Naggudoha Mundaly of Nagoor 4-3½ Mortgage Eyappa Mudaly 4-39-8 Total 14-3-8	Trustees Elder Mohodin Lebbai 1 Shaik Ahammad Sha Pirkker 2 Tarthuni Lebbai 3		The individual named in Col 13 is great grand father to No 1 and maternal great grand father to No 2 in Col 16.			Of the individuals named in Col 16. Nos 1 & 3 have filed statements but it appears that Nos 1 & 2 are in the enjoyment of the Inam. There is a Teikal in the Village of Vowalodachery and its shed is in good order. The Condoori is performed from the proceeds of the melvaram share of the land. A full enquiry was instituted into this case. It is however stated in the Sikha that the land is to be enjoyed solely for the performance of the Charity. It does not appear that the said document countenances any alienation of the Inam such as mortgage &c. It is not right to urge that the Survamaniem was mortgaged because the proceeds thereof were insufficient to cover the expenses of the charity. The Charity should be kept up only so far as the proceeds of the Inam admit of and though it is now reported that the same has since been redeemed and restored to its original object, the violation of the stipulations of the Sika is contrary to rule 3 of the Inam Rules and such act is apparently a fraudulent one. It further appears that the land was mortgaged by the ancestors of the present holders under these circumstances the Subcollector recommends that either a sum of Rs 37-8-0 being half of the assessment being imposed upon the Monium in question under sec 3 of Rule 16 of the Inam rules or should it appear unfair in sound principles of justice, to make the institution to suffer for the wrong doing of its manager, he suggests that the Inam may be settled tax free with a proviso that the present manager will be recognised as such only so long as he applies the proceeds solely for the maintenance of the Charity and to no other purpose and that in default he will be considered ex officio manager for all intents & purposes of this Inam	The whole Inam is confirmed to the Teikal in Column 8 so long as the charity is continued.
