It appears from the statements put in by the individuals named in Cols 16 that this is an Inam granted by the original grantee to the forefathers of the above individuals as Gramabagum but there is nothing in the Circar accounts to support the statement, the former records connected with this case show that the original grantee obtained by grant two Valies of land that ½ of the same was granted as Gramabagum to the entire body of the villagers and that the title of 22 other individuals to this Gramabagum has been already enquired into and disposed of by the Inam Commissioner Deputy Collector the individuals in question not having then appeared and filed statements. This is therefore a part of the other case thereby already disposed of and the extent of land is only 19 Gulies. The Sub Collector is of opinion that in the case of the 4 persons who have filed statements a quit rent equal to ⅛ as shown in the margin may be imposed.	Informed as recommended in a combined quit rent list Vide Para 12 of A.W. Proc 15.6.68

Of this deduct full assessment as already charged in Consequence just having within one year from the date of attachment preceded petition & filed Statement.
