 The enclosed D. the bones
 for the same as if changed
 in the case of 1848
 Compared to the same as if
 changed in the case of
 1848. *Raymond* *1848*
 1848

100 - 2-2

The present content of the
is apparently correct and
of the extent in 1880. Since
it is believed that the
of the above and D. S. L.
is true. I think they come
to about three of 2,100. No
one thinks that 2,100 is
more than reasonable and that
one can not get 2,100 for

the present
is apparent
