The hamlet of Mudakkuvayal was measured separately but in the abstract of survey [illegible] & Ayakut of Mudakkuvayal is included with that of the Bilva nadha puram & the whole entered in the name of the Deity. It appears from the Collector's order dated 2nd June 1829, that the hamlet of Mudakkuvayal was granted by the then manager of the Pagoda to certain Bramins for Veda parayanam or for the service of reciting Vedas in the Pagoda; & that the Collr in 1827, hearing that the Bramins had been enjoying the Inam without rendering service, directed it to be placed under attachment, carrying the [illegible] of land & the proceeds thereof to the credit of the Pagoda. The Bramins remonstrated [illegible] on enquiry the Collr in his order dated 8th July 1831 directed the hamlet of Mudakkuvayal to be released from attachment & made over to the parties who were then in possession, to be held by them as heretofore. From enquiry it appears that the Hamlet was granted by the Pagoda manager about 60 years ago for the service of Veda parayanam at Pagoda & that no service has been rendered for more than 40 yrs. The Inam has been [illegible] alienated & Veda parayanam [illegible]. The village of Bilva nadhapuram minus Mudakkuvayal is recommended to be confirmed to Bilva nadha swami [illegible]
