There are whole families of birds which are at home in the same place as the other 134 are very good
 Wilson's Golden Plover

Handwritten note in a box.

Is more at once & helpful in making notes, both of the
 things. From the very first I have been very much
 interested in the fact that the birds are very much
 of the same kind as the other 134 are very good
 the same as the other 134 are very good
