From a comparison herewith forwarded, it appears that field No 19 of area 38, was omitted to be included in area of Nelli in Enam District. This extent is now included in Nelli District as is shown in folio 4 & 5.

In applying to No 19, 38 is also 13-4. It will not affect the extent of 11 a. including 10 a. already charged as Nelli. In Enam Little Deal No 26. & 27. Nelli is also herewith forwarded. It is recommended to a revised Little Deal. to be applied to Enam, for a total of Nelli, including No 19, 38. 31-8-72
