Nadavaram or Flower garden. The Grant is said to have been granted for the purpose of growing on the land different sorts of flower shrubs & Trees used for making Pujas for worshipping purposes. From the report of the Vaiderdar, dated 30th July 1867 No. 33, it appears that the charity is kept up and that the proceeds of the trees were being appropriated in paying the salary for the Cooligan employed in planting trees & taking care of the garden until the date of attachment.

Remarks

Mr. Brown. It is stated that the Grant was granted a great many year ago by one of the late Rajahs of Tanjore for the purpose stated in Column 8 in the name of the village Community.

Mrs. Forbes wrong.

Mr. Kumra exactly. But it is said that the Grant was granted in the name of the village community.

Name.

In the Survey account of Fasly 1236, the land in question is entered as Pallivadi Nandavanam Nivarnamicum Tope.

Natarajia Pillay, Mirasidar No. 4 in charge of the management of the garden.

Nedeyur Khadiry. Nannilam Taluk.

Title.

He has the charge of the management of the land as the Head of the village Community and one of the Mirasidar.

Area.

The extent of land entered in Column 9 was brought under attachment in July 1865 under para 4 of the Course of Procedure attached to the Grant Rules in consequence of the failure of the incumbent to appear and take the usual Settlement before the Deputy Collector of the Grant Commission Department.

As no one appeared & claimed the Grant within the term of one year allowed by the Grant Rules, the same was also included in the list of Grants recommended for resumption forwarded with the late Mr. H. Maclean Collector's Confidl. Circl. Letter No. 167 dated 20th Sept/68 vide letter No. 609 dated 30th June 1869 & that the Grant Commissioner's Circular Proceedings No. 258 dated 22 July 1869 vide for the Grant of Religious or Charitable Institutions are not

entitle to be freely granted under the deposit rules, and directed that the Register should be prepared for that Grant on due enquiry & forwarded to the Grant Commissioner for the issue of title deeds", an enquiry was made regarding this Grant and the result embodied in this Register.

The present Head of the Village Community Nattaraja Pillai, who has now filed a statement, declares that he is quite unable to give any more information regarding it than what is contained in the above Nothing more could be ascertained from the Talaks records.

As the Grant is however an endowment to a Charitable institution and as the present agent & Manager is willing to continue & keep up the Charity in an efficient state, orders have been issued for the release of the land from attachment and for its being restored to the Grantees.

It is therefore recommended that the usual Title deed may be issued in the name of Nattaraja Pillay as the Head of the Village Community under para (3) III of the Grant Rules.
