The proceeds of this Sarvamaniam village & a large extent of [illegible] lands are appropriated to the support of a Choultry on the road from Madras to Tanjore. The Choultry has been in existence from a long time & food is distributed daily to travellers. The Choultry is not alluded to in the Sikka, yet it would appear the grant was derived & made [illegible] of the Choultry & other charities & accordingly in the grant, the terms "for charitable purposes" are used. The appropriation of the income arising from the Sarvamaniam is not therefore alien to the object of the grant. Recommended therefore to be confirmed and continued [illegible] It does not appear [illegible]
