		Chargeable excess		10.04		6-1															

This inam is stated to have been resumed in part. The representative of the katlay claims exemption from the charge for excess on the ground that it is within the limits specified in the grant. That this is true but as the portion of the land within these limits have been resumed I do not know how far the claim may be held valid. It is therefore x x the commissioner's ~~decision~~ discretion to decide this point & should he considered the chargeable excess should not be exempted – A quit rent of Rs (6) will have to be imposed.

To be confirmed free in [illegible]

So long as the pagoda exists

(Sd)
26/4/64

Is the Sunnud beyond suspicion. Is its existence noted in any of the former accounts. By whom, when and under what circumstances portion of the Inam resumed.

(Sd)
22/4/64

T.O. No. 2584

Tahsildar's Arzee d 21/12/69 no. – Recommended that the excess may be given in both the Inam and that the poramboke be included.

Sufficient allowance made 17.70 for error of measurement the excess will be charged under the name Kad (jungle) the poramboke is included within the x x of the deed. But I cannot admit though I believe it is usually to do that is entitled to immunity for red poramboke will not be noticed in the title deed.

Confirmed subject to Q.R of Rs (6)

(Sd)

The grant is made Anthajamam katlay of the pagoda and though morning instead of night katlay is observed. I consider the fact of the appropriation of the Inam for the benefit of the same pagoda sufficiently warrants the confirmation of the Inam.
