The Kurnum & the Villagers state that it had never existed — The Kurnum however had assigned in A-Regr. the old Adangal No. 213 — for this Inam — The Survey Dept however in consequence of the objections of the Villagers, considered the Kurnum's Pro: as irregular, and have measured the Field No. 213 — as Circar lands — There being no Inam whatever ever enjoyed from a Century & no one coming forward to claim any as such, all that it is necessary for me to do in this Case is to recommend that the old area of the imaginary Inam may be deducted in the account of the old Ayakut — T.
