This Inam Village was originally a hamlet of ... called Palayakotay – In F 1213, it was classed as a separate Village – Although the Huzoor account of F 1213 available to show its particulars, yet they are given in the Curnum's olugu of that year in which it is clearly entered as Kannimar Inam – In the Huzoor account of F 1239 of minor Inams, it is also stated as Davastanum Inam at the Heading. There ... no doubt of its validity – The Excess is allowed as well as that in the minor inams as it is within the recognised boundaries of the Village and the inams as specified in the Curnum's olugu of F 1213 and as there is no reason to suspect any Encroachment –
