Dry Goly = .. 59 —

This village was originally a hamlet of the Fyzal Village of Periapatty in the Fyzal account of 1213 of which its Ayakut is deducted as the Shetti Chattram entire Village Inam — Although there is no account of F 1213 either in Huzur or with the Karnum for this Village, yet this Register is prepared according to the Karnum's olugu of F 1236 in which the Fyzal area is given for each field — The Excess in the entire Village is allowed, as it is within the limits of the Ayakut deducted as stated above in Periapatty as clearly specified in its Fyzal account — The Excess in Minor Inams is also allowed as it is within the limits of the inams as is admitted by the Hakkadar of the Chattram Village —

For the support of a Chatram of Shetti Chatram. It is well kept up and is a stone building. | Free | Permanent | Not Known | None | Shetti Chatram | In the Karnum's account of Periapatty for 1213 — Shetti Chattram entire Village Inam — | In the Karnum's olugu of F 1236 Shetti Chattram entire Village Inam. | Shetti Chatram Village — Shetti Chatram — Hakkadar Varadansetty —

Vide Collr's order 3rd August 1857 No. 347 & the Inodak

This Chattram inam is under Govt. management from July 1240 — At the request of the Hakkadar, the Collector defrays through him an Expenditure of Rs 40-5- per annum for opening a water Pandal during 4 months in the year, and for keeping the buildings in repair and keeps the remaining surplus Rents in Huzoor Amaunet with the view to rebuild a part of the Building which has dilapidated so soon as the surplus should amount to a large sum sufficient for the reconstruction —

To be confirmed free in one T.D. so long as the Chattram exists —
