Petition of Indeo Ram N 46 of the Manapparay Division in the Valavanday Pattu Dis. Tricheinopoly Collectorate Cutcherry

Remarks on Query.

In the Enquiry made by the Collectors Department in N 1203 it appeared to have been unjust to assess Swami Pichais to the Jeanties claiming the same without any Enquiry and at the demand of any account or of Vellaye officers — The only Endowments of the Enquiry regarded Endowed by the Establishment of the Pandaram appearing for Enquiry appears to have been to three Swami Pichais having been found for this Swami to 2 different Jeanties — The Pichais first Swami N 492 to Kuppayengar, Appavien & Appa Pichai to the first then on account of the Varangan, and Swamia Pichais N 2 and N 3 respectively of the 2d on account of Curiyalukkara Pichai written & mentioning the Pichais Pagodas which he has enjoyed — The 2d Pichai N 1589 was Enquiring on for the same Service as that of Tapala Cafe for the of the present Manager Vandikaranam Doss and brother of the Jeanties, the Jeant having been a Lessee in the Pagodas

The Jeanties named in the Pichais N 492 or their heirs do exist & claim, and it is Resolved on the Enquiry that the Jeanties heirs have all along been managing the charities &c, & to S have entered the present Manager's name for the Swami — It appears that the present Manager supports these with Victuals out of his Pichai Purchase on the Swami Cents to prove sufficient to cover the necessary Expenditure —
