

This Entire Village is within the town area, of which the range limits are specified in the Lannam's Fiscal account of 1813. No error is there fore fictitious, and merely a particular difference of measurement as made in the 1813 and subsequently. His lordship, the proprietor of the Rao's in each of the original fields puts together and not the receipt of the acceptance of any additional land. It is therefore allowed - The Rao's in minor means, is also within the recognized boundaries, as is admitted by the representative of the Rajoda, the Branten - & is similarly allowed -

On the Key over account, the minor names entered as being the names for particular Pagoda Larvae therein specified - I have not entered the larvae in Col. #45, on which I have given only the names. The larvae is however

There is a dispute between
one Linman, and Pappey regarding
the Orinda license which originally the 3rd
Division is this case - Part of them
claim through one Orinda Cam - The
license is the one of his sister who was
legally married. The latter is his 2nd father's
lastest daughter's daughter son by David
Connerton. Under the law applicable to
this part of Orinda's sons is void to the
exclusion of legitimate descendants.
