Directors order to Tahsr 26 August 1859 N 229 — This Decision having also been approved by the 1st D. of Revenue Sheet 1/20: 2nd April 1863 N 2283 — The Collr has given effect to it — Vide his orders 13 May 1863 N 181 — and 18th March 1864 N 43 — It appears that the localities marked out by the Dt Director to be within the limits of the Swami Village embraced wastes as well as Cultivated areas — The list of the above Order's order that a similar Extent of 5-46-14 subsequently Cultivated from those localities, shall be considered as wasm Cultivation of this Village — & accordingly from the account of the Tyan Villages in which the Cawnie had entered them — Now the present Hd of the Mattam wishes that the Lands deducted from Tyan accounts should be added to the Swami Akyakut of this Village — This of Course would be proper Revise to pursue if it is shewn that the lands to be added have ever been deducted from the Akyakut of the wasm Village — But as this does not appear to have been the Case, I have declined to make any addition to the original Akyakut of this Village, in which the disputed localities must be considered to have been already included — T.K
