

Henry Rice

The aptitude of these Indians with respect to
of 2/3 of that of the other tribes. Amelanchier canadensis
Note general remarks

These numerous cases of jaundice had been severe ones - both the jaundice & of course having retarded the flow of Lymph. They are now enjoyed as *liveria* in cases - the attention of some persons is not engrossed, & I have treated these men according to their original disease - just as I had the *menstruaries* -
