	3	6 7	2 1	8 6 15

Tillage Kadamankoil Village in which the Cauvie is equal to one
Notwithstanding the averages as agreeably given, I have adopted
for enclosure the average of Assessment of this very Village as per the Settlement
of Fasly 1198 as entered note by the Pagoda with the 2 Potto as this last Settlement
contracted in the Cauvie an average when the Samavatanam affairs were
under Sowcar clearing were by undeniable accounts of it are produced – This
average of Assessment is –

Wet	one Crop	6 — 1
Dry	2 Crop	8 — 8
Garden		8 — 6

Sowcar Cauvie
