Pedariyar Kovil. Banakatti Inam. Uppiliyan Srirangam of Nagayanallur.					This inam was directed to be held ~~by~~ for life by Uppilian Srirangam in Collector's order dated 24th December 1853 No 951. The Collector has passed the order of his own authority and the grounds stated in the Takid for the life limitation are:- 1st. It was not known to whom the inam was granted. 2d The relationship of the present enjoyer to such unknown grantee is not known. 3d The service of fireworks is not called for every year as the feasts of the village goddess are not done every year. 4th The object of the grant is not proved by any sannads. I think his order must be overlooked as the prescriptive service tenure from long time supplies the place of the sannad very effectively and it does not matter ~~the~~ whether the present service doer is related to some original holder or not. The conditions of service do naturally break the line of a single family enjoyment. I would therefore confirm the inam in the usual service. If the service be considered as not needed I would charge ¼th quit rent 0-8-0. (Sd) A. Narayana Rau Dy Collector I.C.	Confirmed as recommended on service tenure. (Sd) T.
