This is a village originally given for the ~~support of~~ services to be rendered to the Thiruvangimalay Marakatachalaeswaraswamy Pagoda — It is entered in Travis's Regr in the name of the "servants of the Pagoda" — The Poramboke lands having been excluded from the origl assignment of lands to the several servants, it is considered to be the property of the Institution — The service lands are also the property of the Pagoda in one sense, as when service ceases, it they must become so — As however the servants have been in enjoyt from generation to generation, and the individual allotment is recorded in the accounts of F 1241, & 1259, the cases have been made out accordingly — There is a [illegible] olugu of F 1241 but it is incomplete some cadjans having lost — The Gothwara for the same fasly prepared as the abstract of the olugu is complete and the Inamdar Enjoyt is recorded in quantity only therefore without fieldwar particulars which are not fully known —

The first two cases are believed & owned by all to be Devadayams & are so treated.

The Marakatachalaeswaraswamy Pagodas are 2 — The ~~main~~ chief Pagoda is at the top, & the other below, the Hills — The 2 Pagodas form but one Institution. The servants are distributed over the 2 Pagodas — The one below the Hills is called "Adivaram" When this term is used in any case, it is to be understood that the service belongs to the Pagoda below the Hills —
