In the survey register Vol. B 1864 Vellampatti Inam.	Kadaiyan Kovil Pillai Inam	Vattaru				This inam was directed to be held for life by Vellaiyan Srinarayan in Collector's order dated 24th December 1853 No. 7376. The Collector has passed the order of his own authority and the grounds stated in the Tahsildar for the life limitation are:- 1st It was not known to whom the inam was granted. 2nd The relationship of the present enjoyer to such unknown grantee is not known. 3rd The service of fireworks is not called for every year as the feasts of the village goddess are not done every year. 4th The object of the grant is not pinned by any remarks. I think however must be considered as the prescriptive service terms from long time, supplies the place of the deed very effectively and it does not matter the whether the present service does to related to some original holder or not. The conditions of service do naturally break the line of a single family enjoyment. I would therefore confirm the inam on the usual service. If the service be considered as not needed I would charge ¼ the quit rent to Rs. 0-8-0. (Sd) A. Narayana Rau Dy. Collector I.C.
