Sheet No 490

Compared T.R

The Topa consists of 5 Elappa trees of upwards of 50 years standing - all a long avg aged by the Dejah. It is just like the usual Mainaka Jaradars of the Kistna Dt. being mentioned in any Sd accounts but as Renumpoke - The minor Trees of the Topa is also recognised by the Zamin who does not claim it from his Estate - and it is also included in the Kistna Dt. To be confirmed free in one & Co long as the Dejah exists

T.R 29/12/64
