The Pagoda (Inner building)
fell into ruins 6 months ago — the Idol has
been placed removed for safety to a thatched
building, & is worshipped — & there
resided within the Pagoda Compound
the Chief has collected some of the materials
required for restoring the Pagoda — the materials
work causing large outlay are necessary — The Headsman
has executed before me for the 31st Dec. 1865 (12 months hence) —
for restoring the Enam to renew the building on or before the 31st Dec. 1865 (12 months hence) —
I know him & the instrument to the Tahsildar desired him to report to Court on the 2nd January 1866 —
whether the worship has been carried on & the Enam properly enjoyed — & if so recommended that the Enam may be confirmed thereunto
in one year — to the Tahsildar or otherwise dealt with according to Tahsildar's report —
