The enam fell in a Division of Property to the share of Venkatakrishna Thathachariyar (one of the 9d sons of the grantee) whose widow Latchmi ammal gifted it to Veeraraghava tatachari father of present holder her husband's brother under a simple Cadjan deed dated 20th Vyasi Vijaya or 31st May 1833 — and this enam is the enjoyment of the donee's family only —
The adopted son of the Donor named Streenevasfca Tathachari appears to have played a trick to defraud the present Holder of the enam by filing a statement for the enam in his own right at the Taluq Enquiry of F 1271 — Upon the complaint of the present Holder however, he withdrew the statement and has executed a stamp Paper deed dated 16th Alpesi Cundu loki to the present Holder in recognition of his right —
