⊗ The duties of this Establishment, were originally Police & Revenue services in the several Villages; but at present the incumbents appear to be largely availed of for various services in the Taluq under the Tahsildar instead of being confined to the Villages →

This Establishment appears to have been all along managed & controlled by the Zamindar, whose chief officers Mainkavil had been collecting under the name of Cavilly fee, various taxes in certain Inam & Ryot Villages, the tax on entire Villages having been however a single tax known as "Cavil Torappu" — besides enjoying a few entire Villages, and a few inams in Ryot Villages known as "Tani kavel" — and "Kudi Kavil" respectively — The Collr dispossessed the Zamindar from the Kavil management in Consequence of abuses in his managt in 1837 — The lands, & Russooms, held by Cavilgars have ~~since been~~ ~~[illegible]~~ been placed under attachment, the Taksr's maintaining the Establishment of the Arasa Kavilgars retained or appointed in 1837 — from the Proceeds — The lands thus attached have not yet been incorporated with Govt lands; but are in Amaunee — It seems to be in Contemplation to do away with these Kavilgars eventually as, on casualties occurring, no new man is appointed in lieu of the Deceased — The several Main Kavilgars appear to have given a list of the taxes they had been collecting till F 1247 from the Villages — & a tax of Rs 7–10–6 having probably been entered in this list it is now collected — The Jagheerdars declare that they had never paid this tax before F 1247; probably because the Main Cavilgar had remitted it to them as a favor done to Bramins — The Question of these Cavilly lands, Russooms &c, must, I conceive, be finally decided in the Rev: Dept, when I think it likely that several taxes now collected such as Poll-tax, Vira hady &c will cease — It is the uncertain nature of this tax that induces me to recommend the in=sertion of the Condition regarding the Cavil fee in the T. D without making it a permanent Demand. T. R 17-1-65 —

} and on the condition that the Jagheer=dars shall abide by the general Decision of the Revenue authorities in regard to the Cavil fee which is now collected —

No mention is made in the Register of Mr Travers or in any old account of the Cavil fee — the only Public Demand against the Village which is recorded in them all, being the Jodi — The Cavil fee is being collected from about 25 years by Govt officers and is appropriated for the support of the Establish=ment of Arasa Cavilgars now working under the orders of the District authorities ⊗
