(Continued)

interest to Mr. Hobert (in favour of Doctor) Govt. then in charge of the District, gave him to understand that the income in Udayagiripalayam Pergia & Sofa for the purposes of Masjid, Idga
mental ground is to be made over to Kaji Syed Hussain under the 1st part thereof, quoting the Proceedings of the Amildar in disposing him of the Shares that had been appointed by
Sultan Kaji Abdul Khadar — At present the Kaji is vested with the name of "Kabala Nindat ul Hunara" written about it —

No. 1 — A Copy in Persian dated 16th Sofar Hijri 1203 or 15th November 1788 from Sultan to the Amildar Shaykhamal & Amildar containing four Clauses in the Village of Palakuchi Stated to have been held
for Mosque Services by the said Kaji Abdul Khadar resumed by this deed & lies among the said Kaji Syed Hussain — N.B. Also heard the Kaji's vakil with the same name written about it as in the
Orders of the 1st Document —

No. 2 — Copy of the Amildar District Panchayat's Decree in O.S. No. 161 of 1854 which will be noticed hereafter —
with a Copy of the Judgment

3 The 2nd part produces the Documents

No. 1 — A Simple Kadjian Deed in Tamil, and a Copy in Persian the Latter became the Kaji's Vakil and both states same Effect — and of the same Date — Viz. 15th Karthik Parabhava a 7th
(December 1786 pursuant to the Panchayat Decree passed in a dispute between the two Parties — It states both the Mosque and the Punjab house to have been built by Nattar Mahal Ammal
to the favour of the 2nd part — It decides that the Tope land shall remain in charge of the Mahals for the Arisikkana Expenses and that the Mosque Fasl &c. shall be dealt by the Kaji
for which having the Mosque Building &c. — and that the Kaji shall attend the Mosque for the Services required of him as the Servant —

No. 2 — A Decree of the Amildar District Munsiff — O.S. No. 31 of 1819 which is pursuant to the Panchayat Decree above alluded to and under the Tope under dispute to Fakirsahib in favour of Sea the
Mahal who had him in contest to the 2nd part, the above Suit & same having been instituted by the under the 1st Part — Kaji Syed Hussain against 28 persons who had rented the Tope & him for recovery
of Rent & which he had been obliged to pay to the to be paid to him in the absence of the Pattadar from the Country — N.B. A Cooly in Simple Kadjian executed by Hussain's Daughter Daughter of the above Fakirsahib
& written for the Kaji & them for Examination

4 The Mosque & Punjab is in the charge of the 1st Part and the Kitchana of the 2nd part —

5 The Jodivar Cultivation of the Claim in Document are "Pinja Masjid" — The Extract of the Tope land in F. 1216 under the two heads of Claim — "Extract" according to the old System of Accounts are
"Pinja Masjid Tope" "Pinja Cori Masjid Tope" respectively — As the absence of any original Grant for the Claim, it is impossible to decide whether the Tope and the Document of the Mosque or the
Arisikkana — The First Kaji Cultivation having been encroached made in a careless way, we cannot rely upon the Cultivation because Cultivation to cover — Nor are found the term Mosque a Masjid often confounded
in Native Accounts for with Choultry or Cooly House — Cooly House from which means Choultry often confounded with Arisikkana — Under the circumstances in F. 1216
to the Claim in Council — Had this not been the case in record to the Claim we cannot rely on the Extract of the Tope — "Pinja Masjid Tope" Mosque Tope — Mosque Tope found in the Village —
The Village Pinja Masjid Tope under the Head of Cultivation in Fasli 1216 was probably included to mean the Tope of the "Pinja Cori" a Arisikkana attached to the Masjid, the word "Cori" being accepted as the
Arisikkana and Pinja Cori being also in common use Cultivation at the Village as the Large Arisikkana in question to distinguish it from others of minor importance which are kept up at the Loca
Lot — The term Pinja Masjid is used in F. 1216 for the entire Claim, it probably a term of Expression in use & unrecorded from or intended to convey the idea of the Large Arisikkana attached near the Mosque —

6 Of the Documents produced by the 2nd part the Complete Decree of 1819 and 1854 are Copies — the Perhaps the Early Deed of the 2nd part the Counsel — As to the other deeds, I cannot say how
far they were acted upon & old as they appear to be — Although the Panchayat Decree referred to in the District Munsiff's Decree of 1819 is the same in purport to the 1st document produced by the
2nd part, yet the date and distinguishing features of these given of different, it being stated to have been passed in Hijri 1203 whereas it is only 1201 and it being mentioned in the Decree
that it was signed by Kaji Syed Hussain whereas it is not in the Copy, while in the Copy in Colly, there is a mark provided not Blue Ink — Hence we suppose that the Tope was originally the
Mosque Claim, subsequently converted to the Arisikkana by the Panchayat Decree under a misconception is not Blue reconciled with the date of the first Shaykhamal produced by the 1st Part,
and that of the Panchayat Decree — the First being in 1789 & the 2nd in 1786 —

7 Yet whatever the original object of the Claim be, the Decree of 1819 have held the Claim was declared valid the necessity of a Mosque in the Arisikkana — The Enjoyment by the 1st
part of the Claim in Valakuchi, referred to in the 2nd Document as clearly marking Lines for Nizmat or Services also rendered in the Mosque proves it must be made it probable that his Services
ceased, then communicated, he can claim no right of hereditament to any other Claim whether its object be the Support of a Mosque or of an Arisikkana —

8 The present State of Enjoyment is quite unsettled for at least 4 years and disputed between the 2 parties — The Common Usage that the Mahals family had been for all the time
preceding these 4 years unmolested in the Enjoyment of the Tope land and the Common Order we is not always reliable, yet the Decree of 1819, the fact that the Parties had not them till
Lately disputed by the 1st part, the circumstances under which the Decree of 1854 appears to have been passed gives weight to that evidence — Have carefully examined several of the in-
habitants of the place and divided as they are in favour of each part, their evidence tending to Enjoyment as mentioned —

9 The 2nd Part Hussain and his son Mahadeva Pillai received from one Veeraswamy Naick a loan of Rs. 100 Some time since 1220 pledging as a pawn their Punjab house and the disputed Tope — the
Mortgage to the Tope to him for 3 years Cadjan in Dundelli Cost — at an annual rent of Rs. 4th — The 3 years rent of 12 Rs. exceeding by 8 Rs. the amount of the interest stipulated at 12
per cent per annum for the loan. Veeraswamy Naick had then the enjoyment of 8 Rs. also — The Kaji in 1st Part however in trifling Locality with a few Fakirsahib and for which making every right
of Enjoyment for the loan. Veeraswamy Naick made over his claim upon the 2nd Part for the loan & its interest and upon the 1st part for the value of the Services
for the use of the Tope for the last year of the rent — Veeraswamy Naick made over his claim upon the 2nd Part for the loan & its interest and upon the 1st part for the value of the Services

Judge's Apologies, Rs. 1 & 2 of the Village suffer from Rs. 3 to 16 — 14 — 6 — 12 — 6 — 12 — 6 — 14 — 6 — 12 — 6 — 14 — 6 — 12 — 6 — 14
