That for whole village there is no account which gives the correct area of the village. [illegible] has taken the extent according to the Karnam's account representing the present area [illegible] In Kadarambam villages he says the lands are irrigated under the private works of the Sirkar and in Kadarambam villages they are irrigated under Govt. channels & they pay [illegible] water in a certain definite proportion & they pay their quota for repairs also. Consequently the present classification [illegible] does not affect the future [illegible] of water [illegible] as they can [illegible] as much of the land as they can within the supply of water the [illegible] remark to be copied in a separate sheet [illegible] Registers of the District [illegible] 14/3/65
