*Pillanecium*

Brambale

*Trichinopoly*

It would appear by the accompanying statements of the Village Headman & District Manager that the Evans has been long since abandoned. The Evanses reside in the low South Creek, & are not a better sort than formerly to abundance. He has sent in a Petition and would appreciate giving of all claims to the Evans - The Evans land is under attachment. It must therefore pass to Government.

Mathew  
S. Calverton
