Reg. No. 156

Sheet No. 303

The inams in this Village are entered in an older account than that of F 1228 - The Dr Revenue books to them are not evident on manufacturing this Varumdi - I presume that this is one of the Villages of the Ranjanagudi Taluq which was ceded to South in F 1226 & that the inams are 50 years old - They are confirmed accordingly -
