The Mosque building is in a dilapidated state. It is a large Mandapam built of granite or black stone & now over grown with large trees. It is in such a dangerous state that no man can safely enter it (Mandapam or Mosque). The Mosque has been neglected for the last 30 years. In fact it has been entirely abandoned. To attempt to restore it is almost hopeless. Under these circumstances I would recommend that the Inam be confirmed as personal upon ½ assessment. It has been held for the personal benefit of the Inamdar for the last 30 years. To be confirmed on [illegible]
