

should, and when there is no other person acting as manager, I have considered it as the manager for the establishment - But when as in the case in question, the management of the Pond is by a person named as a manager, I have not recognized them as such - I have therefore told the Village Pans that the person can act as confirmed to them as the manager of the Pond, but that they as the Village Pans interested in the Establishment are empowered by Act XX of 1863 to get the Pan-chipper, in case of improper conduct or a breach of trust by him, replaced by a more faithful person by application to the local Committee or through Courts.

To be confirmed from in one & D - La long as the Pond is not to - 5-76
