This Tarum is not entered as an Tarum in 1219 but as Varumanum & Sheyara Tope — I cannot make out what it means — By the former term, perhaps was meant as the Tarum of Cap productive & by the latter young trees — The omission of the name of the Pagoda was perhaps lost sight of — But as the item is deducted from the shares brought to Jamma kundy, this recommended that the exam may be confirmed in one F-D free so long as the Pagoda exists —
